VISIBLE STARS PROJECTS

-hi world!

“ OUR – STORY; FROM THE BEGINNING.”

Visible Stars Project's was established in order to provide unique, unmatched, and highly sought-after construction, interior design, fit-out and project management services, offering our discerning clients the finest quality deliverables, executed at impeccable standards.

Our holistic approach enables Visible Stars Project's to effectively design, construct, oversee and manage high-end projects from concept-to-handover, ensuring that each output is meticulously tailored, highly customized and imitation-free.

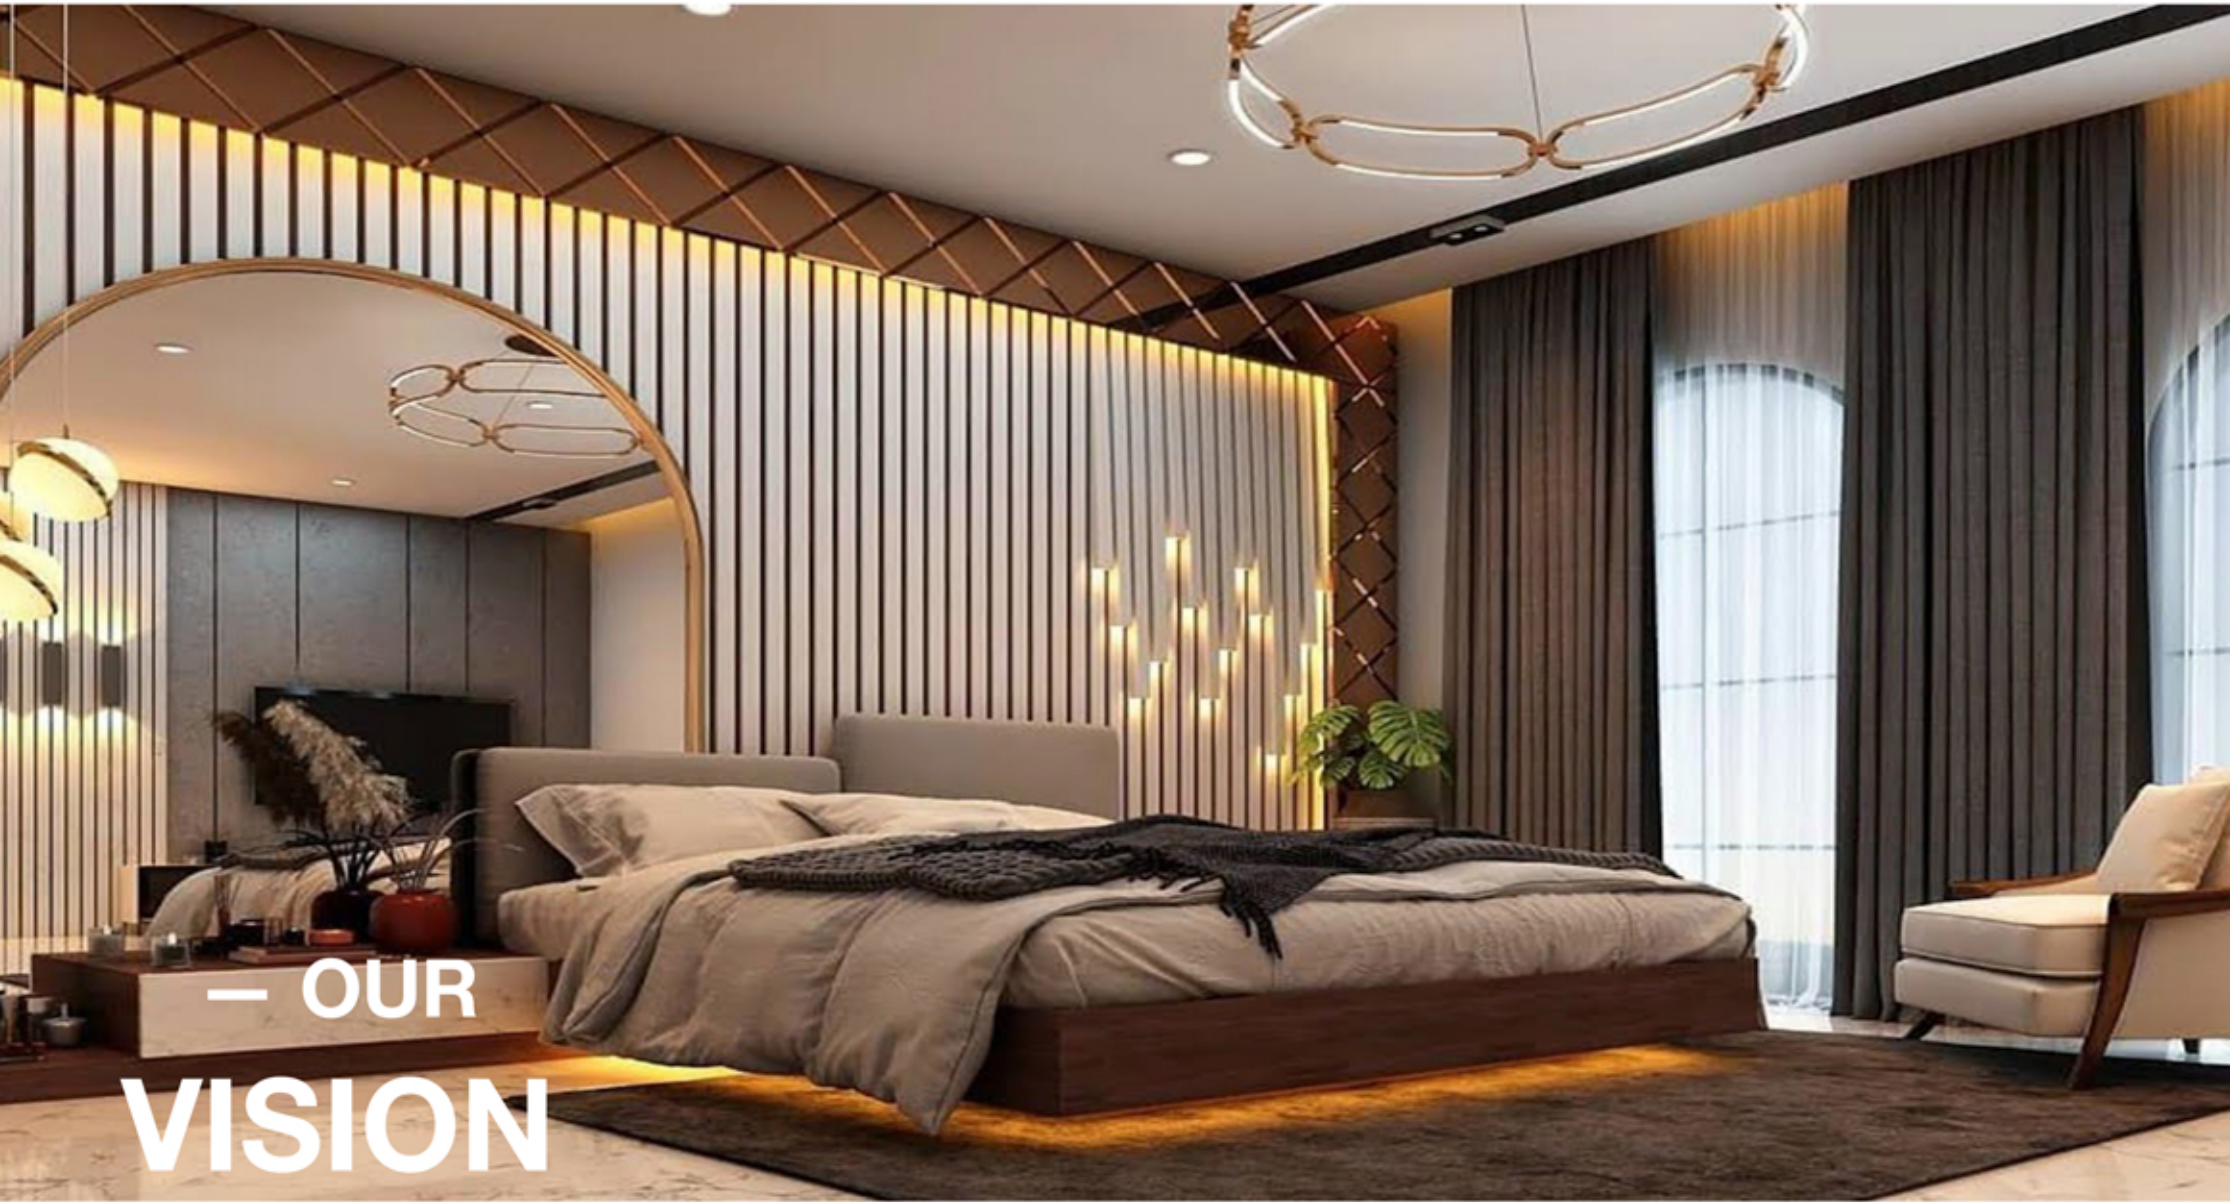

Adaptive and responsive, Visible Stars Project's elite service provision allows us to be lifestyle partners as opposed to typical contractors. We enhance our customers' experiences through the application of superior standards, the development of creative solutions and consistent excellence in design.

“Our leading track record, and extensive industry experience and knowledge, have permitted Visible Stars Projects to maintain our exceptional market reputation for
“BESPOKE CONTRACTING”

— OUR
VISION

To be the premiere destination for “bespoke contracting” in the Kingdom of Saudi Arabia.

— OUR MISSION

To create bespoke design concepts, ensuring meticulous attention to detail, and providing the highest standards of excellence in service and quality of deliverables.

“ OUR — BRAND VALUES.”

EXCELLENCE

Visible Stars Projects strive to provide the most exceptional standard of execution across all our projects, applying the highest international industry benchmarks to our operations.

QUALITY

Our stringent material selection, purchasing and crafting processes ensure that we use only the best products, finishes and design procedures.

METHODICAL

We are keenly detail-oriented, having implemented a uniquely effective work process that permits unmatched quality control, and superior execution of deliverables and outputs.

FLEXIBILITY

We are highly adaptable, working in close collaboration with our clients to provide them with the leeway versatility and ease needed to modify, accommodate and implement their design visions.

ORIGINALITY

Our designs, products and processes, is entirely distinctive, guaranteeing that our clients receive imitation-free, unique and bespoke designs.

TRUSTWORTHY

When we undertake a project, our clients know that we always go the extra mile to provide unparalleled service, remarkable quality and outstanding execution.

key – Differentiators

Our People

Visible Stars Projects strives to provide the most exceptional standard of execution across all our projects, applying the highest international industry benchmarks to our operations.

Our Integrity

We are committed to success, and this involves full transparency with all our clients and stakeholders, throughout the design, build, furnishing and handover phases. Since our establishment, we have earned a reputation for honesty and trust, allowing us to gain strong customer loyalty and continued high demand for our elite services.

Our Solutions

Through our collaborative work process, which combines the skills, knowledge and expertise of our professional teams of architects, engineers, interior-designers, craftsmen and construction workers, we develop optimized solutions to complex design challenges.

Our Experience

We understand the market, anticipate trends, and have access to a vast network of local and international premium textile, fabric, furniture and interiors suppliers, enabling us to offer customized, unique and bespoke services, that are unparalleled in the Kingdom.

OUR -Divisions

ARCHITECTURAL & INTERIOR DESIGN

A leader in creative, avant-garde, exceptional design conceptualization and implementation, our primary purpose is to bring client's design visions to life. We create multiple visual renderings to ensure clarity and alignment between design and execution, providing elevations and perspectives from every angle, along side accurate drawings that are implemented precisely, down to the minutest detail. We focus on creating expertly tailored Architectural and interior design solutions, executed with the greatest attention to detail, demonstrating our passion, commitment and enthusiasm for couture interiors that reflect

CONSTRUCTION & FIT-OUTS

Efficient, reliable, and impeccable level of service, executed by highly qualified and expert construction professionals, we serve to seamlessly implement the completion of high-end, luxury fitout projects, by applying the highest industry standards, and focusing on time, quality and cost. Our turnkey construction solutions are comprehensive, allowing Visible Stars Project's to have full oversight and control from project inception to handover. We strive to continuously go above and beyond the remits of our scope, to ensure we add significant value and tangible results to every project we complete.

FURNITURE & WOODEN WORKS

Dedicated to providing the highest levels of skilled expertise, creative craftsmanship, and best international standards of practice for every product we manufacture, and project we deliver. Our proficiency in understanding technical drawings and translating them into practical, beautifully manufactured products allows us to maintain our leadership position and our impeccable customization capabilities, ensure that our items are unique, individual and fit any specifications

PROJECT MANAGEMENT

From the very beginning, Visible Stars Project's has been active in the successful management of complex projects. Our project managers have technical knowledge and project management capabilities that do matter. In a good set of soft skills, have the qualities to make complex projects with many stakeholders and requirements successful.

_OUR Methodology

We deliver outputs that consistently exceed our client's expectations. We achieve these results through the stringent application of comprehensive policies and procedures, and by integrating leading planning tools, that enable effective management of project scope, cost and schedule. We regularly share data across all project stakeholders to achieve streamlined communication means, methods and materials in order to seamlessly realize project intent and design.

Visible Stars Holding

As an innovative and forward-thinking company, Visible Stars Holding's office space needed to reflect its modern approach to developing effective business solutions. The space is a hub that inspires creativity, and transparency, and the design highlights these values.

Open air collaborative spaces, use of glass and natural wood encourage a warm and inviting atmosphere, that also allows for efficiency and privacy when needed.
